Dear Tim,

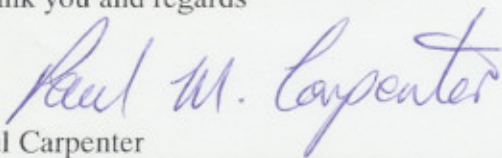

The final stage of your Grade Verified pre-approval audit was completed successfully on Monday 5th December. I am satisfied that all matters relating to the verification process meet the requirements of NZS3622 and Grade Right (NZ) Ltd

I have also reviewed recent test data and the production of MSG timber on site. Branding requirements have been discussed and agreed on.

Congratulations on achieving approval to produce Grade Verified Timber and we look forward to working with you in the future.

If you have any questions regarding this please feel free to contact me on 027 270 4431

Thank you and regards

Paul Carpenter
