

## e-c toolset Editor Basics

### Overview: -

The editor is the key to the flexibility of the e-c toolset. This document covers how it interacts with the other components of the system.

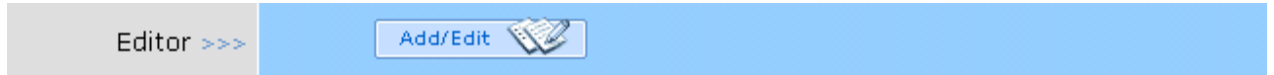

- 1) Login to the admin system at the following web address with the username and password that has been sent to you

[www.e-c.co.nz/admin/](http://www.e-c.co.nz/admin/)

**Hint:** - *You may want to bookmark this page as this is the page you will use every time you want to edit your web site.*

**Result:** - This will load the main admin menu

- 2) Click on "Add/Edit" to load the Editor: -

**Result:** - This will load the main Editor Window
